PRAYER OF SALVATION

Say this:

"Oh Lord God, I believe with all my heart in Jesus Christ, Your only begotten Son. I believe He died for me and that You raised Him from the dead. I believe He is alive today. I confess with my mouth that Jesus Christ is Lord of my life from now on. In the Name of the Lord Jesus, I receive eternal life into my spirit; I'm born again. Thank you Lord, for saving my soul! I am now a child of God. Hallelujah!"

Hurray! You are now a child of God!

"To whom God would make known what are the riches of the glory of this mystery among the Gentiles; which is Christ in you, the hope of glory"
(Colossians 1:27 KJV).

The greatest thing that could ever happen to a human person is to have and know the Lord Jesus Christ.

In the introductory verse above, the Bible reveals the mystery that had been hidden for ages and generations past but has now been manifested: "Christ in you, the hope of glory." In Scripture, the name "Christ" is sometimes used to refer to the person of Jesus. In its simple definition, "Christ" refers to the anointed One and His anointing.

So when the Bible says Christ is in you, it means the totality of the character and nature of the Lord Jesus and all that His anointing represents is in you. In other words, all of His life, and the power and glory of His anointing, reside in you. And that, the Bible says, is "the hope of glory."

If you're sick in your body today, what you need is the manifestation of Christ in your body. When Christ is manifested, everything that's not of God will leave.

TAKEAWAY: Sickiness cannot stay in your body successfully because you have Christ's power, life, and glory in you. Walk in it boldly.

HEALING ADVENTURES FROM THE BIBLE

Luke 6:6-10

The Man with the Withered Hand

It's a Sabbath Day, and Jesus is teaching in the synagogue. There's a man nearby whose right hand is withered. A few religious leaders are watching to see what Jesus would do.

Aware of their thoughts, Jesus talks to the man...

...then He talks to the religious leaders.

As the man obeys, his hand is healed and completely restored.

MEMORY VERSE

For it is by grace you have been saved, through faith—and this is not from yourselves, it is the gift of God. **Ephesians 2:8 (NIV)**

SPECIAL MAGAZINE MIRACLE

MY HANDS HEALED MY FAMILY

I love reading the Healing to the Nations Magazine for Kids and learning to use my authority in Christ to heal myself or anyone around me.

Recently, my little sister Davina got a cut on her leg. When I saw it, I remembered what Pastor taught us. I laid my hand on her leg and said: "You are healed, in Jesus' Name". The next day, the cut was gone! No more pain, no mark, and no scar at all! She was completely healed! I was so happy.

Not long after, my brother Davey also wasn't feeling well. This time around, I was super confident and declared him healed. After some time, Davi ran to tell me, "I feel fine now!"

When my daddy heard what happened, he was really surprised. He had been having pain in his waist and back. He said, "Since there's a miracle worker in the house, let me also receive healing!" I did—and the next day, he was completely fine!

FROM CRISIS to MIRACLE

Josue King Beats Diabetes!

Energetic 3-year-old Josue King Dongmo loved to explore the world around him. But one day in November 2023, everything changed. Josue didn't feel like himself anymore. He became so tired he could barely play. He lost weight rapidly and needed to pee constantly. His appetite soared, but his speech slowed.

His mother, a nurse, knew something was very wrong. They rushed to the hospital—and things got serious fast.

Doctors flew Josue to a children's hospital, where they delivered shocking news: he had both Type 1 and Type 2 diabetes. They had never seen anything like it in a child so young. Despite their efforts, nothing seemed to work.

Before

08

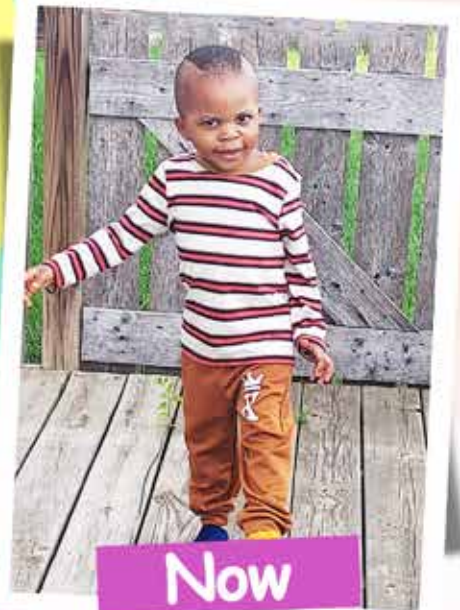

Life became a grueling cycle of sleepless nights, insulin injections, emergency visits, constant monitoring, and near-death scares. Josue's blood sugar would spike dangerously. Doctors said he wouldn't survive without lifelong insulin.

His family prayed desperately for a miracle. In March 2024, during the Healing Streams Live Healing Services they tuned in from their home in the United States of America with desperate hope. As Pastor Chris prayed for children with diabetes, Josue's mom cradled him and prayed with all her heart.

Suddenly, she felt a powerful rush sweep through them. Deep inside, she knew Josue was healed. That night, for the first time in fifteen months, Josue slept peacefully—no vomiting, no distress. His appetite normalized. The frequent urination stopped. His speech improved.

At their next hospital visit, the doctors were stunned—Josue's previously abnormal blood sugar levels had completely normalized. No more insulin.

Today, Josue is back to running, laughing, and living freely—just like a 3-year-old should!

Now

LESSON:

Hopeless? Never with God. One second of His power changes everything. Trust in His Word always, and just like Josue, you will receive your miracle.
